RE: Inspection of the Radium King
Mine - ACT/037/007 and Happy
Jack Mine - ACT/037/024/
San Juan County, Utah

Dear Mr. Broschat:

Your meeting with Division staff members D. Wayne Hedberg, Susan Linner and myself September 29, 1983 was appreciated. The interim reclamation work at the two minesites, Radium King and Happy Jack, was astounding! The effort put into compliance as well as general clean-up is nothing short of excellent and everyone connected with the operations is to be congratulated. All areas outlined in the January 27, 1983 Division letter were addressed. Thank you for your cooperation.

Sincerely,

THOMAS N. TETTING
ENGINEERING GEOLOGIST
